MEMORANDUM

BrX
3/10-91

BY COURIER

TO: Stig Carlson
FROM: Michael T. Buckley
DATE: 23 September 1991
RE: Government Response to Environment Committee Report

Enclosed for your information is the response by the UK government to the indoor air pollution report of the House of Commons Environment Committee. The section on ETS (p.7) is consistent with the government's previously expressed position. Section 6.6 (p.12) is of particular interest with regard to the issue of IAQ standards.

Regards,

M
